## **MARK'S GARDEN® TO DESIGN EXCLUSIVE FLORAL ARRANGEMENTS FOR THE 92ND OSCARS® GOVERNORS BALL**

**SHERMAN OAKS, CA** (January 13, 2020) - Celebrity florist **Michael Uncapher**, co-owner and Managing Director of Los Angeles' premiere floral design studio **MARK'S GARDEN®**, will design the floral arrangements and decor for the 92nd Oscars® Oscars Governors Ball. This will mark the 27th consecutive year MARK'S GARDEN has provided florals for the official Oscars after-party, which will take place on February 9, 2020.

This year, Uncapher's floral compositions will feature rich shades of purple and luxurious whites and ivory. Over 400 arrangements will be hand-crafted with white roses, radiant vanda orchids, purple anemones, and more to sit atop tables where invited guests will be celebrating Hollywood's biggest night in film. The blooms are carefully selected and imported to the United States from countries worldwide, including Chile, Ecuador, Holland and Thailand.

"For this year's floral design, we really wanted to keep the spotlight on the stars of the show," said Michael Uncapher. "With clean, modern design as the focus for this year's Governors Ball, we were able to create a look that feels effortless yet tailored. The understated design feels special - yet walks a careful line not to overshadow the true focus of the night - the stars themselves."

Uncapher's designs were created in conjunction with the Academy's Awards and Events Committee chair Lois Burwell and Sequoia Productions event producer Cheryl Cecchetto.

MARK'S GARDEN® is well-known for its innovative floral designs. Uncapher's work has been featured at Hollywood's biggest events including the Golden Globe Awards, Emmy Awards, and Oscars Governors Ball, as well as private celebrity events such as Justin and Hailey Bieber's wedding, John Legend and Chrissy Teigen's Halloween party, Kim Kardashian's baby shower and more.
